— PLEASE READ THIS BEFORE ORDERING —

**TERMS**—Cash with order, or a deposit of 25% of amount of order will hold bulbs for spring delivery; balance payable before shipment, or C. O. D. All prices herein quoted are "F. O. B. Portland, Oregon".

**GUARANTEE**—All stock guaranteed of fine quality and free from disease. Stock inspected in the field and in storage by State Inspector. All bulbs guaranteed true to name, but should an error occur will replace with same value next season. If for any reason bulbs are not satisfactory upon delivery, return them to us at once and your money will be promptly refunded.

All Stock Offered, and Orders Accepted Subject to Prior Sale.

**OUR BULBS** are grown with the greatest care to insure stock of the highest quality, healthy and true to name. Bulbs are each year grown in new soil, with overhead irrigation, insuring continuous and uninterrupted development of the bulbs throughout the growing period. After harvest bulbs are stored in specially constructed, frost-proof bulb houses, in shallow, screen-bottomed trays, where they receive constant, careful attention until shipped to you.

**ALL ORDERS** are filled generously.

**IMPORTANT**—As there is annually a shortage of bulbs of the better varieties, we suggest the placing of your order as early as convenient. We will be glad to reserve the bulbs you select and ship when you want them.

**OUR BUSINESS** has been growing steadily, until last season its volume exceeded by more than double that of any previous period. We consider this an eloquent tribute to both the quality of our stock and service. We are justly appreciative and will continue to strive to merit your patronage and confidence.

PRICED PER 100—25 BULBS AT THE 100 RATE. 1,000 BULBS AT 9 TIMES THE 100 RATE.
